

GOD WANTS US TO BE GOOD STEWARDS

“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. AMEN (1 Peter 4.10-11)”

I would like you to pay attention on two words in the text, **stewards** and **gifts**. We are **stewards** because we are managing God’s affairs. And as stewards we have received **gifts** from God. We must use our gifts to serve others as good stewards. God wants us to provide a good service to those He has called us to serve. He wants us as stewards to serve them with all our strength. He wants us to serve them for His glory.

That is why the Bethany Project staff is making efforts to do things better. On May 4, 2018, Bethany project personal, the director and the accountant, had an important meeting with pastors and schools principals in order to develop a better communication to improve the ministry. The director, Marie Lourdes Joseph has reminded them some principles regarding the function of Bethany Project. Peterson René, the accountant has explained them the payment process. I was there, I have shared with them the perspective of APCH/PWH. I encouraged them to cooperate with Bethany project staff to serve well the children as good stewards with all their strength for God’s glory.
