## State Side Update

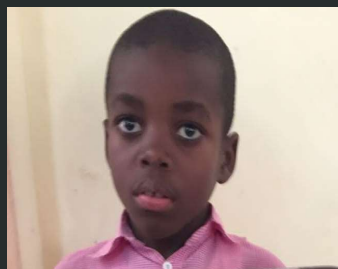

### Bethany Student Sponsorship Update

We have 117 students in the program and 144 students still available for sponsorship.

We are highlighting two students from Marbiale who are active in school and are available for sponsorship.

Josue is 10 years old and in the 5<sup>th</sup> grade.

Dominique is 9 years old and in the 4<sup>th</sup> grade. (sorry we don't have updated pictures of these two boys)

## Promoval: Delmas

At the end of March over 100 young people attended a special training event. Workshops were on Self Leadership and Communication. The interaction between the audience and the speakers was lively and engaging.

*Promoval is a ministry which trains young people in entrepreneurship.*

## Novelle Alliance: Arcahaie

The well project is about to be complete. As you can see, they have water. They are building a cistern to store water from the well, so water can be easily distributed. Due to all the unrest, they could not travel to Port au Prince to purchase a Solar panel system. So the church ended up buying a generator and an electrical water pump. Water from this

well is used for the church, school, irrigation for crops as well as other areas in the community.

## Evangelism/Discipleship: Jacmel

Pastor Belizaire (CFEEBO) and Pastor Cloveus (Christ Pour Tous) continue to preach the gospel in this mountainous region. In March, each church led separate outreach campaigns and the Lord blessed! CFEEBO welcomed 14 souls and CPT 47 souls into the body of Christ. Please pray for these new believers. Both churches also have discipleship classes in their churches for members.

## Silo School/church: Cite Soleil

Silo school has been open since the middle of March. The area is safe, but a few students still do not attend classes. They feed the children and staff 3 days a week. Silo church is also open. Pastor Emmanuel continues to shepherd the congregation there.

## AFCA School/Church: Delmas

The AFCA School worked online during the month of March. After Easter, they came back in person. The children and staff are fed three days a week. For safety, they wear ordinary clothes (no uniforms). This is a particular blessing for AFCA because many other schools in the area are not open due to security issues.

AFCA church had a great celebration of Easter. During that week we had a spiritual conference about the meaning of Jesus' sacrifice on the Cross. On Good Friday in the afternoon, they had their traditional service called "Commemoration of Jesus-Christ Death on the Cross", and on Sunday Easter we commemorated the Resurrection of Jesus Christ.

*"Blessed be the God and Father of our Lord Jesus Christ, who according to His great mercy has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead" 1 Peter 1:3*
